

Privacy Policy

Integrated Technologies & NavTrackPro, (IntechUSA) respects your privacy - all information that we gather is used exclusively for giving a service to registered users. Especially: IntechUSA does not market or otherwise reveal your information to third parties; Your information gathered within NavTrackPro.com is not used to target ads. NavTrackPro does not interrogate your location data without your authorization.

Regarding information that we collect

We collect the minimum of information, which is required only for GPS tracking. Such as: Username and password are used to authorize and identify our users. Our user passwords are irreversibly mixed or encrypted before being stored in GPS database. We do not gather simple text passwords. E-mail address is only used for informing NavTrackPro users of changes in service, logging in and for resetting passwords. GPS location data which is sent by your GPS device(s) or your mobile device(s) is used when you use NavTrackPro tracking & monitoring software.

We pass on the following data: your GPS coordinates, speed, altitude, heading, current time, various sensor parameters. We do not pass on your phone contact lists or data stored on your mobile device or on the platform web site.

Regarding security

Your data which you provide to NavTrackPro is stored on secure servers. Our company has taken further actions to prevent unauthorized access to your data, including running firewall software, SSL security certificates and keeping our servers up-to-date with security patches. However, we cannot guarantee non-disclosure of personal information due to factors beyond our control. If you believe that your account has been hacked, please contact us as soon as possible.

Regarding cookies

NavTrackPro.com, uses cookies exclusively for session regulation (to identify user during login process) and for storing preferences. A "cookie" is a small text file that may be used to collect information about web site activity. Some cookies and other technologies may recall personal information previously provided by a web user. Majority of our cookies expire as soon as you log out or close the browser window.

Updates to this policy

We reserve the right to update this policy from time to time. If we deem the change to be material, we will post a notice on our homepage and/or send an e-mail to our users.
